## DEFERRED PAYMENT PLAN!

The sales staff at New England is constantly introducing new features to improve service for our clients. Sometimes, we realize, just the *right* coin for your collection may appear in our offerings at just the *wrong* time for you financially. Now you don't have to miss a rare collecting opportunity. Whether this coin is a \$200 or \$2000 item, you can take advantage of our new Deferred Payment Plan designed to make financing your rare coin purchases as convenient as possible.

New England's Deferred Payment Plan is easy: 25% down payment, 25% each 30 days for a maximum of 90 days, and absolutely *no* interest charges! (\$200 is the minimum order allowed to take advantage of The Plan.) If you'd like more information, just give us a call. We don't want you to miss a chance to acquire the perfect coin for your collection.

## SILVER DOLLAR DISCOUNT!

Judging from your response to our recent pre-publication silver dollar offering, many of you have a special interest in the increasingly popular Morgan and Peace Dollar series. We have been continually purchasing choice specimens of these coins, and are pleased to again be able to offer them at substantial savings to our customers. This is one of the *finest* dollar offerings we've ever been able to make available, and our discounted prices are virtually impossible to beat on today's market. Our replacement costs for these coins will undoubtedly go up soon, so be sure to take advantage of this outstanding offer.

## SRO!

It was practically Standing Room Only at New England Rare Coin Auctions' recent Metropolitan Sale in New York. The heavy floor activity resulted in very spirited, competitive bidding, and some remarkably high prices realized. Two of the highlights were: \$3,100 bid for an 1833 Bust Dime in Gem BU 65 to 70, and \$5,750 paid for a Superb 1875 Trade Dollar. Catalogs for NERCA's Prudential Sale, May 19 and 20, are now available (see coupon inside).

# U.S. MINT COIN DIES

New England Rare Coin Galleries is proud to offer to our customers this once-in-a-lifetime numismatic opportunity. For the first time ever, you have the chance to own an invaluable treasure — The actual dies used in the minting of United States coinage, mounted in a specially designed unit. New England Rare Coin Galleries is the *only* firm from whom you can purchase these dies, as we bought all that the U.S. Government released to public ownership. Once our supply is exhausted, there will be no more dies on the market (the government now has stringent controls to preclude the release of any more dies from the mint). They are, however, completely legal to own as they were defaced at the mint.

These dies were used in the striking of the 1968 Proof sets, the first set ever *not* issued from the Philadelphia Mint, and the first to bear the mint, mark of the newly reactivated San Francisco branch.

We are offering these dies set in a specially designed unit which holds the removable coin die, a descriptive plaque (detailing the history of the die), and a 1968 Proof coin of the denomination produced by that particular die. All these elements are set into a stand of American Maple wood with a walnut finish. Each of these units is totally unique, as each plaque bears the engraved serial number of the coin die in the unit.

New England Rare Coin Galleries is offering this remarkable collector's item at a price that is incredibly low when one considers that there is only a small, finite supply available. Never again will you have this opportunity.

The dies are available either mounted as a complete unit (including descriptive plaque and Proof coin) for \$39.95, or by themselves for \$29.95. Denomination is our choice, but we will try to accommodate your preferences. Offer limited to no more than three (3) dies per customer. Please include \$1.95 for handling and shipping; allow 6-8 weeks for delivery.

## ALTERNATE CHOICES

Since many of our listed items are understandably one of a kind, we ask that you list alternate selections so that we may have a better chance of completing your order. Of course, we will not send out any alternate selections unless your first choices have already been sold. If you are ordering for a type set, please list "type coin" as your alternate choice so if your first choice is not available, we can fill your order with another coin of the same type in equal or higher grade.

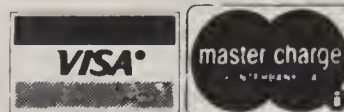

## TERMS OF SALE

This means that any coin may be returned within 30 days from receipt for an immediate refund for any reason or for no reason at all! A copy of our famous grading and authenticity guarantee is free upon request. We feel it is the most comprehensive guarantee available in the industry.

**APPROVAL SERVICE.** Coins can be sent to you on approval if you have previously established credit with us. Please send us banking references and at least two numismatic references if possible.

**MASTER CHARGE and BAC/VISA** are welcome, however, we request that you send written order, which must contain your signature as it appears on your card along with all the raised information. You may call to reserve items to be paid for by credit cards, but the coins will be held pending receipt of your written order.

## GRADING GUARANTEE

We guarantee that coins purchased from us are graded correctly and will meet our high standards when you wish to sell them. Further, we guarantee to purchase these coins at the same grade as they were sold, and, if you request auction for disposal of your collection, that New England Rare Coin Auctions will catalog your coins at the same grade which you purchased them.

We further guarantee the authenticity of all coins listed. As proof of our certainty that no counterfeit or altered coin can escape our attention, we will guarantee to refund full purchase price plus 10% interest per year on any non-authentic coin sold by New England Rare Coin Galleries.
